

GARBAGE AND RECYCLING GUIDELINES

Overview

Trash and recycling removal services are provided by Buncombe County through Waste Pro. Each Owner must contract directly with Waste Pro, and is responsible for paying them directly, for their trash and recycling pick up.

Waste Pro Contact Information

- Website: wasteprousa.com
- Phone: 828-684-7790

Collection Dates

- Trash: weekly, on Thursdays
- Recycling: every other Thursday
- Holiday schedule: Services that would have been regularly provided will be provided a day later during the following holiday weeks: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day

Placement of Trash and Recycling Receptacles

- Where: in the driveway corner near the street but NOT in front of mailboxes
- When: to avoid attracting bears and other animals, it is best to put out receptacles just before 6:30 am on the pickup day. No receptacles should be put out before 6 pm the night before.
- How: position the cart with wheels away from the street, 3 feet away from other carts and 2 feet away from other objects

What is Recyclable

- A listing of what is accepted for recycling is on the Waste Pro website: wasteprousa.com

Miscellaneous

- Owners are responsible for picking up any garbage that strays from the receptacles due to wind, animal activity or falling from the truck.
- Street parking is discouraged on trash/recycling pick up days to ensure the trucks are able to safely back up SSV's narrow lanes.
- Dumping is NOT allowed on any property within SSV or on the service road at the entrance.
- No burning of trash, leaves or other similar materials is allowed on any property within SSV.
